

***Epsom and Ewell Health Walks
Annual General Meeting
May 13th 2020
Boidier Hurst Scout Camp
Boxhill Road Headley KT20 7PL***

Dear Walker

Here is your invitation to join us on May the 13th for the Annual General Meeting. Our AGM will take a similar form to last year - it will take place during the day rather than in the evening.

It will be preceded with two walks providing for all, one of 30 minutes and a 60 minute walk

These walks are optional so if you just wish to attend the AGM that's fine.

Boidier Hurst offers ideal facilities not only for the walks but it also has a self contained building for the meeting.

More importantly it has free car parking.

The programme will be as follows

9.45 Meet at Boidier for the hour walk

10.00 The hour walk commences

10.15 Meet at Boidier for the half hour walk

10.30 The 30 minute walk commences

11.30 A.G.M.

12.30 Picnic Lunch (Optional. Bring your own lunch)

Prior to the AGM commencing free refreshments will be offered - Tea, Coffee etc. After the AGM facilities will be available for those who wish to bring a picnic lunch for outside; if the weather is bad the Manley building will be available for people to eat their lunch in. There will also be an opportunity to have a look around the site. I do hope that you can join us and on behalf of the Committee we look forward to welcoming you.

Roger Kaye
Chairman.

IMPORTANT. Major Water Pipe works are affecting access to Church Road Headley and Headley Common Road with possible complete road closure. This is our recommended route:

Take the A217 towards Reigate. When you get to the large roundabout after the Heathside Hotel take the 3rd exit B2032 Dorking Road. Stay on this road for approx 2 miles. Pass Walton Heath golf course. Continue to mini roundabout and go straight across. In approx 1 mile turn right into Headley Common Road. Follow road and take 2nd left onto Boxhill Road. Keep going. You will see a sign welcoming you to Boxhill village. In approx 100 yards you will see a sign for Boidier - turn right here.

Follow lane until you turn left into site straight on to car park.

Please drive with care when entering the lane and the site.
