Remembrance Way

Venture past First World War installations, through the Sainsbury's community orchard and out onto our vast woodland creation area. Look out for wildlife returning to this wonderful site, including birds and butterflies.

Mostly wide, smooth, and grassy path. Includes some gates which can be diverted. One slight incline.

easy

2 miles (3.1km)
Allow 1 hour

Downs View Trail

A varied walk through young and established woodland with stunning views across the North Downs. Discover the site's history as you pass First World War installations. Look out for rare arable plants and butterflies during the summer months.

Some smooth, wide paths with uneven sections which can be muddy after rain or in the winter months. Several steep slopes. Various access gates along this route.

moderate

2¾ miles (4.5km)
Allow 2 hours
