Epsom & Ewell Health Walks

Minutes of AGM Wedneday 13th May 2026

Attendance:
21 walkers and 3 Committee Members

Apologies for absence:
Derek Eade, Jacquie Suckling

Minutes of previous meeting:
Minutes are published on the website, taken as read and accepted by the members. No matters arising

Annual Report:
This report was discussed in the meeting and is published on the website. No questions from the floor.

Treasurers Report:
This report was discussed in the meeting and is published on the website. No questions from the floor.

Walks and attendance:
This report was discussed in the meeting and is published on the website. No questions from the floor. Jacquie Suckling has resigned as a walk leader, and further resignations are expected during the coming year. This means that the frequency of walks may have to be reduced, particulary on Sundays. The half-hour walk at Castle Hill has been dropped from the programme due to problems with parking. The one-hour walk at Headley Heath has also been dropped, it was decided that the new parking app, JustPark may not be suitable for some of our walkers. There had been low attendance on the half hour walks at Langley Vale Wood this year but it was agreed that they should continue at present.

Election of the Committee:
The Committee is willing to stand for another year, and was voted en masse. Proposed by Leona Hewitt, Seconded by Barbara Reilly.

Louise Aitken and Geoff Gwynne both thanked the Committee, the walk leaders, and back markers for their dedication and their kindness in leading the walks.

Questions:
A question was asked about the possibility of advertsing the walks more widely. It was felt that in the past this did not generate many new walkers for the expense involved and there was no one willing to come forward to take on a publicity role.

Meeting closed at 11.45
